Date – 25/11/2021

Dear Administration,

I have conducted an analysis of the feedback survey among the students of Sharkragowda College of Education for the academic year 2020-2021 to evaluate their experiences and opinions regarding various aspects of the institution. The purpose of this report is to present an overview of the feedback received, highlighting the strengths and areas for improvement as identified by the students during this academic year.

Strengths:

- **Teaching Competencies:** The students consistently praised the teaching competencies provided by the institution during the 2020-2021 academic year. They acknowledged the dedication and expertise of the faculty members, emphasizing the high-quality education imparted by knowledgeable professors.
- **Learning Environment:** The institution continued to maintain a positive learning environment during the mentioned academic year, fostering effective teaching and learning processes. This conducive atmosphere was instrumental in facilitating students' academic progress.
- **Reputation:** Students expressed their pride in being associated with Sharkragowda College of Education, an institution with a strong reputation and affiliation with the University of Mysore. They continued to appreciate the institution's commitment to excellence.
- **Communication Skills:** Communication skills of the teachers were very effective. Effective communication remains vital in ensuring a productive learning environment, and this aspect is very much up to the mark.
- **Curricular Activities:** The desire for more curricular activities continued in the academic year 2020-2021. These activities were perceived as a means to enhance overall development and provide opportunities for students to explore their interests.
- **Timely Syllabus Completion:** Students were happy with the completion of the syllabus within the allocated time frame in the academic year 2020-2021. Timely syllabus completion ensures comprehensive coverage and sufficient revision opportunities.

- English Fluency: Students were also convinced by the teachers who can communicate fluently in English, emphasizing its importance for effective communication and preparing students for a globalized world.

Areas for Improvement:

- Job Fairs: The importance of organizing job fairs was reiterated by the students. They believe that job fairs are crucial for enhancing their career prospects, enabling them to engage with potential employers and explore various job opportunities.
- Inter-College Programs: Students continued to express their desire for more inter-college programs in the academic year 2020-2021. Such programs were seen as a means to promote interaction and collaboration among students from different institutions, fostering holistic development.
- Transportation and Canteen Facilities: Students reiterated the need for improved transportation facilities and enhancements in canteen services to enhance convenience and the overall student experience.
- Integration of ICT: Students emphasized the importance of integrating information and communication technology (ICT) in classrooms during the mentioned academic year. They believed that ICT integration would enhance the learning experience and keep pace with advancements in education.
- Infrastructure: The requirement for an additional auditorium within the institution persisted during the 2020-2021 academic year. An auditorium is viewed as essential for the smooth execution of various educational activities, events, and cultural programs.

I trust that this feedback report for the academic year 2020-2021 provides valuable insights into the students' perspectives and expectations from the institution. Considering these suggestions will be instrumental in further enhancing the teaching-learning process and the overall student experience at Sharkragowda College of Education.

If you require any additional information or assistance, please do not hesitate to contact me.

With Regards!

**Samson R. Victor**
