Dear Administration,

I have conducted an analysis of the feedback survey among the students of Sharkragowda College of Education for the academic year 2021-2022 to evaluate their experiences and opinions regarding various aspects of the institution. The purpose of this report is to present an overview of the feedback received, highlighting the strengths and areas for improvement as identified by the students during this academic year.

Strengths:

During the academic year 2021-2022, the institution continued to excel in several areas.

- Teaching Competencies: The students value the expertise and knowledge possessed by the faculty members, underscoring the high quality of education provided by qualified professors.
- Learning Environment: The institution has received praise for maintaining an environment conducive to effective teaching and learning.
- Reputed Institution: Students take pride in their affiliation with a respected institution that is associated with the University of Mysore and express a desire to see its ongoing excellence.
- Field Trips: There is a clear demand among students for more field trips as part of their educational experience. These trips offer practical exposure and help bridge the gap between theoretical concepts and real-world applications.
- Job Fairs: Students have suggested the organization of job fairs to improve their career prospects. Such events would enable students to interact with potential employers and explore employment opportunities.
- Inter-College Programs: There is a desire for increased inter-college programs to promote interaction and collaboration among students from different institutions, fostering comprehensive development.
- Communication Skills: Students were happy with the efforts of teachers to enhance their communication skills. Effective communication is vital for maintaining a productive learning atmosphere.

- **Curricular Activities:** Students have engaged in curricular activities, which contributed to their overall development and provided opportunities to explore their interests.
- **Timely Syllabus Completion:** Students stressed the importance of adhering to the designated time frame for completing the syllabus, as it ensures comprehensive coverage of the curriculum and allows for sufficient revision, which has been changed and dealt very professionally. Students were happy with the progress and changes.

Areas for Improvement:

In the academic year 2021-2022, students identified specific areas requiring attention.

- **Transportation and Canteen Facilities:** Students recommend the provision of bus services and improvements in canteen services to enhance convenience and the overall student experience.
- **Integration of ICT:** Students have suggested the integration of information and communication technology (ICT) in classrooms to enhance the learning experience and keep pace with advancements in education.

I trust that this feedback report for the academic year 2021-2022 provides valuable insights into the students' perspectives and expectations from the institution. Considering these suggestions will be instrumental in further enhancing the teaching-learning process and the overall student experience at Sharkragowda College of Education.

If you require any additional information or assistance, please do not hesitate to contact me.

With Regards!

Samson R. Victor
