2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

Our institution has implemented the recommendations, rules and regulations of University of Mysore, Mysore regarding evaluation process and reforms. Accordingly it maintains transparency. The internal assessment is announced on the notice board. Soon after the evaluation of the answer scripts of learners, all the faculty members conduct discussion in the classroom about learners performance in general. If somebody needs special attention then, such student is provided with required guidance and counseling. During such periods the queries of learners are addressed meaningfully.

In every semester student teachers are supposed to undergo two tests i.e., C1 & C2. Along with this they have to present tutorial classes on the topics given by their tutors in their respective subjects. Their performances in tutorial classes are evaluated by the teacher educator on the spot and marks are awarded on the same day. After analysing their performance feedback is given. Once this process is over, students are informed to sign on their assessment book if they don't have any objection.

Tutorial classes are conducted in parallel to theory classes. So evaluation is done parallelly with teaching classes. It makes evaluation process quite comprehensive and continuous.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time-bound and efficient

Institution maintains transparency regarding internal examination. It conducts tests and tutorials periodically and systematically. During tutorial classes or seminar classes respective teacher educators observe and provide feedback to the presenter. On the basis remarks made by the teacher educators marks are awarded..

Soon after awarding marks learners are informed to express their grievance in open class. If they express their grievance teacher educator provides justification for awarded marks and convince learner with feedback. If the learner has got valid reason for his/her objection then, the teacher educator rectifies it on the spot itself.

In case learner is satisfied with the procedure followed by the teacher educator in evaluating his/her performance then, Learner is informed to sign on the assessment book to declare the fact that he/she has accepted it. Once the internal assessment is over, overall performance of all the students is displayed on the notice board.

All these are done in scheduled period of time . Therefore everything is carried out in a very systematic and transparent manner. Like this, institution not only maintains transparency but also help learners to enhance their performance.

2.5 - Evaluation Process and Reforms

2.5.1 - Mechanism of internal assessment is transparent and robust in terms of frequency and mode. Write description within 200 words.

Our institution has implemented the recommendations, rules and regulations of University of Mysore, Mysore regarding evaluation process and reforms. Accordingly it maintains transparency. The internal assessment is announced on the notice board. Soon after the evaluation of the answer scripts of learners, all the faculty members conduct discussion in the classroom about learners performance in general. If somebody needs special attention then, such student is provided with required guidance and counseling. During such periods the queries of learners are addressed meaningfully.

In every semester student teachers are supposed to undergo two tests i.e., C1 & C2. Along with this they have to present tutorial classes on the topics given by their tutors in their respective subjects. Their performances in tutorial classes are evaluated by the teacher educator on the spot and marks are awarded on the same day. After analysing their performance feedback is given. Once this process is over, students are informed to sign on their assessment book if they don't have any objection.

Tutorial classes are conducted in parallel to theory classes. So evaluation is done parallelly with teaching classes. It makes evaluation process quite comprehensive and continuous.

2.5.2 - Mechanism to deal with internal examination related grievances is transparent, time-bound and efficient

Institution maintains transparency regarding internal examination. It conducts tests and tutorials periodically and systematically. During tutorial classes or seminar classes respective teacher educators observe and provide feedback to the presenter. On the basis remarks made by the teacher educators marks are awarded.

Soon after awarding marks learners are informed to express their grievance in open class. If they express their grievance teacher educator provides justification for awarded marks and convince learner with feedback. If the learner has got valid reason for his/her objection then, the teacher educator

rectifies it on the spot itself.

In case learner is satisfied with the procedure followed by the teacher educator in evaluating his/her performance then, Learner is informed to sign on the assessment book to declare the fact that he/she has accepted it. Once the internal assessment is over, overall performance of all the students is displayed on the notice board.

All these are done in scheduled period of time . Therefore everything is carried out in a very systematic and transparent manner. Like this, institution not only maintains transparency but also help learners to enhance their performance.
